**RE: Emergency Purchase – Sportsplex Overflow Parking Area Repairs**

---

In accordance with provisions of the Tampa Sports Authority's enabling act and Section 11.02 (a) of its Bylaws, I am requesting your approval for an emergency procurement of crushed stone (referred to in invoice as 57 Rock) for the Sportsplex overflow parking lot, not to exceed, amount of \$12,124.50.

During the weekend of the Development Player League (DPL) Winter Showcase, ongoing inclement weather due to El Nino, caused extensive damage to overflow parking area entrance and drive aisles. Damage to the lot had started during a prior event and with the ongoing heavy precipitation and lack of sunlight, the parking area became muddy and created a safety hazard for cars and pedestrians. This parking lot damage would have potentially caused the Sportsplex to lose the use of the overflow parking lot. The DPL Winter Showcase hosts over 900 out of area teams and approximately 12,000 participants, and without the use of this parking area, the Authority would have been unable to successfully host this event. Due to continued inclement weather and little to no lot repair turn-around time, the Staff completed emergency repairs on the entrance and drive lanes to ensure the parking lot was safe and usable. Prior to the repairs, staff contacted two (2) potential companies to supply the crushed stone (57 Rock). Golf Specialties Inc. was the only responsive company that could provide the stone within our immediate need timeframe. Golf Specialties Inc. provided an estimate for the crushed stone in the amount of \$12,124.50.

I am requesting your approval and that this item be reviewed by the Finance Committee with a recommendation to the full Board for approval.

If you have any questions or concerns, please feel free to contact me.

Thank you for your consideration in this matter.

**CHAIR'S STATEMENT CERTIFYING CONDITIONS SUPPORTING  
EMERGENCY PROCUREMENT**

In accordance with provisions of the Tampa Sports Authority's enabling act and Section 11.0 (a) of its Bylaws, this is to certify that, to the best of my knowledge and belief, and based upon the facts and information provided in the attached memorandum from the President/CEO dated January 17, 2024 an emergency condition existed in obtaining the needed repairs for the overflow parking lot at the Sportsplex. This resulted in the procurement of services and materials without utilizing the normal public procurement process, which process would be detrimental to the interests of the Authority.

This further certifies that this Statement has been delivered to the Secretary of the Tampa Sports Authority on this this day of January 17, 2024.
